withdrawal of occupying forces
acknowledgement of security for all
nations - right to live in peace
free from threats of force
warning ICJ not to interfere
with workable status UN
bodies UNSC + UNGA
legal consequences of conduct
of one party - is one-sided
not any more able for Court
in judgement is grounded on
respect for UN Charter + its
principles Considerable work to
with three or more have been
achieved
unanimous in promotion
to a state solution
and of Israeli occupation
in respect of land and
state. Court has
asked for end of
obstacle process but
warrant they killing the
palestinian leadership
not provide legal
advice without obstructing
negotiations and thus hindering
it should not act on an immediate cease fire
with Israel + conditions for achieving peace
this is different from other precedents
Only 2 state solution to solve this
Israeli security will require a
palestinian state

Russia we are friends with Israel and do not condone terrorism that is the responsibility of the
violent assault on Palestinians 1967 borders East Jerusalem as capital of Palestine
Perpetrator of violence down night. US borders negotiations, cost needs of lives negotiations
by US have failed in 1948 peace Russia hopes ICJ opinion will help have
a lasting peace Numerous international law violations recognized by
Guyana continues to assume
negotiation between Israel
+ Palestine is possible. Israel
not to be responsible
Israel must be resolved
